

A Gala for Hope on a Midsummer Night

Knights, Maidens, a Castle and Moonlight at the Castello di Amorosa July 16, 2011

Lazarex Cancer Foundation's "A Gala for Hope on a Midsummer Night", our signature gala at Castello di Amorosa in Calistoga, was a rousing success! The food and wines were delicious and City Rock's music set the perfect mood. Thank you our sponsors, donors, patients, volunteers, and the very capable staff of "the castle". It was a night to remember! We are deeply grateful for your generosity as the proceeds from this event (over \$200,000!) will allow us to serve many new patients and help them participate in potentially lifesaving clinical trials. George Komsky, you transported us with your voice among the casks of wine and candlelight during our dinner. Pam Shaw, you rock! Your help was essential to wrestle this dream into an incredible event! Steve Haworth - you are a treasure of a friend and an awesome auctioneer!

You can view a slideshow or purchase photos of the gala at www.peekmedia.com. The proceeds of your purchase benefit Lazarex Cancer Foundation. View a video of the gala here: [Gala Video](#)
